Spec Golf 2017

Construction Specifications Canada is a multi-disciplinary, non-profit association dedicated to the improvement of communication, contract documentation and technical information in the construction industry. Many of our members are independent business people covering most aspects of the consulting sector of the construction industry. Our local membership includes Architects, Engineers, Specification Writers, Consulting and Design Professionals and (product) Technical Representatives.

The CSC Vancouver Chapter is pleased to offer you an opportunity to meet these people by participating in our **Spec Golf 2017** Annual Golf Tournament as a Hole Sponsor. Where else can you get this kind of exposure for such a reasonable cost AND Play Golf! This year's tournament is being held on **Thursday, July 20th** at **Fort Langley Golf Club at 9782 McKinnon Crescent, Langley**. It will be a Shotgun Start (**1pm**) with a Texas Scramble format so that we can all have fun and start/finish at the same time.
