WORDS FROM THE CHAIR

.....

On the CSC front, the local Vancouver Committee met on June 24, 2019 to kick off our new fiscal year. New Members include John Alley for Treasurer, Brent May for Program, Jason Gensey for Website and JP LeBerg for Membership. We appreciate their willingness to serve to improve our CSC Vancouver chapter activities.

The bottom line is that we want to find ways to add value to the association. We would love to hear your ideas. What can we do that would enhance your personal experience?

We will be publishing a schedule of luncheon events as soon as we can commit the guest speakers. If you have a topic that should be covered or know of a guest speaker that can add value to our association, please send your ideas to brent.may@siplast.com.

We have the golf tournament coming up @ the Fort Langley Golf course on July 18th and the Ocktoberfest themed CSC Trade show will be held on October 22, 2019 at the Italian Cultural Centre.

Associations work best when everyone contributes and shares ideas. We welcome your input.

If you have any questions or suggestions, please contact me @ bmaher@rhinoflooring.com.

CHAPTER RECOGNITION AWARDS

.....

Congratulations to **Glenn Chatten** of WordClear Specifications for being awarded the **Program Director's Education Certification Award**. Glenn has been very active in building a more comprehensive BC program and has coordinated with National on other training throughout Canada. Glenn spent most of the last few years getting students involved from BCIT, SFU and UBC. Thank you Glenn!

Locally, we are proud to announce the award recipients for **2018-2019 Chapter Award of Merit**. This award is selected by the Vancouver Chapter Executive to those members who have excelled in stepping up to more responsibilities. These recipients have contributed at a much higher level and donated a lot of extra time to our CSC Vancouver Chapter initiatives.

Congratulations and a sincere thank you to:

- **Randy Smith, Apex Façade Systems**
- **Josh Dewey, IKO Industries**
- **Todd Gerrard, Georgia Pacific**

EDUCATION REPORT

.....

As the summer solstice passes quickly by and as we are filled with possible days off at the beach, golf course or cottage/camp, we are busy planning our 2019 Fall and Winter Education programs to be held in and around the Lower Mainland. This coming year I am grateful to be assisted by both **Tony Martinnelli** and **Daniel Wong** who will help me facilitate and instruct in the following courses and workshops:

PCD Course: a ten week-long course being taught one evening a week starting in mid- September (exacts dates to be announced) for those who want to receive the certification for this introductory course as a prerequisite for the CSC's TR, CA and Specifier courses.

TR Course: a five-day intensive workshop which will help those who are Manufacturing Representatives to attain their Technical Rep Certificate (CTR).

CCA Course: a five-day intensive workshop or a twelve week-long course being taught one evening a week for those who are interested in obtaining their Certificate in Construction Administration.

Specifier Course: a seven-day workshop for those who are eager to obtain their Certificate as a Specifying Practitioner.

If you are interested in enrolling in any of these courses, please contact me at your earliest convenience and we will make sure you are enrolled.

— Glenn Chatten

CONSTRUCTION FLASHBACK

Construction of Expo Centre Vancouver British Columbia September 1984

CSC CONFERENCE – REGINA

The CSC National Conference was held in Regina, Saskatchewan May 22-26, 2019. Conference is always a great time to catch up with old friends and to listen to great Guest Speakers, who cover the most relevant issues facing Canadian Construction.

It was well attended and hats off to the Regina team for making us all welcome. CSC Conference 2020 will be in Montreal and will surely be memorable. Plan early to attend and be part of the CSC family. When time permits, go online to the CSC national website, select Regina and check out the photographs from this year's event.

Thank you to the fine sponsors who make this event possible every year!

Vancouver Chapter

Spec Golf 2019

Construction Specifications Canada is a multi-disciplinary, non-profit association dedicated to the improvement of communication, contract documentation and technical information in the construction industry. Many of our members are independent business people covering most aspects of the consulting sector of the construction industry. Our local membership includes Architects, Engineers, Specification Writers, Consulting and Design Professionals and (product) Technical Representatives.

The CSC Vancouver Chapter is pleased to offer you an opportunity to meet these people by participating in our **Spec Golf 2019** Annual Golf Tournament. Where else can you get this kind of exposure for such a reasonable cost AND Play Golf! This year's tournament is being held on **Thursday, July 18th** at **Fort Langley Golf Club at 9782 McKinnon Crescent, Langley**. It will be a Shotgun Start (**1pm**) with a Texas Scramble format so that we can all have fun and start/finish at the same time.

As a Spec **Golf 2019** Premium Sponsor, you will receive the following benefits:

- ◆ Signage at a tee-box
- ◆ Green fees, golf cart, snack and beverage at the turn and a banquet meal for one golfer
- ◆ A business card ad in our Chapter Newsletter (a \$225.00 value)
- ◆ A special newsletter edition that will recognize all of our Hole Sponsors
- ◆ Recognition at the tournament banquet

DESIGN TEAM

CSC offers members of the Design Team the opportunity to meet with other members and exchange information. It also affords you the chance to help improve technology and its management, and the means to improve ways in which your ideals are translated into clear, concise and complete documentation.

BUILDING TEAM

If you are a member of the Building Team, Construction Specifications Canada offers the opportunity to become involved in formulating specifications. Your valuable input into the programs can help generate time and cost savings as well as improve performance.

SUPPLY TEAM

The multi-disciplinary composition of the CSC allows members of the Supply Team to meet with other members of the construction team. CSC programs in data filing and information retrieval are geared to present convenient and concise information on your products for proper evaluation and specification.

THE STUDENT

If you are a student or architecture, engineering or construction technology, CSC will provide you with greater exposure to and a better understanding of the Construction Industry, giving you an excellent opportunity to plan a career in the construction field.

MEMBERSHIP IN CSC

In the construction industry's fast-paced environment, the need for and value of Construction Specifications Canada is greater than ever. CSC brings together individuals from all segments of the construction industry. All who have a vested interest in Canada's largest industry are invited to join CSC. When you join CSC you become a part of the only association that brings together professionals from all aspects of the construction industry.

**ADVERTISING:
NEWSLETTER & WEB**

Advertising with us will provide you with the opportunity to reach readers within the industry through the newsletter and on the CSC Vancouver website.

| Size | Members | Non-Members |
|-----------|---------|-------------|
| 1/4 page | \$45 | \$60 |
| 1/2 page | \$80 | \$100 |
| Full page | \$140 | \$175 |

You will receive advertising space on the second page of the Specifier and on the CSC chapter website. The ad will be placed in one issue of the Specifier and reside on the website for one month. Ads must fit on one page only and are not limited to copy content or visual features.

If you are not sure whether the Specifier would be an appropriate tool for you, please email me with your questions. If you would like to advertise, or have any questions, please let me know. All advertising content is subject to pre-approval by the responsible CSC Committee.

SAVE THE DATE:

The CSC Vancouver chapter is pleased to announce the 8th Annual Trade Fair will be held on Tuesday October 22nd at the Italian Cultural Center. Stay tuned, more details to come.
